

Mutual non-disclosure agreement

Good ideas deserve a foundation of trust.

01 PURPOSE

The parties wish to explore a potential business relationship and may exchange information that is confidential or proprietary. This sample agreement describes how that information will be handled.

02 CONFIDENTIAL INFORMATION

Confidential information includes business plans, designs, financial information, technology, and other information identified as confidential or reasonably understood to be confidential.

03 OBLIGATIONS

Each party will use reasonable care to protect confidential information, disclose it only to authorized representatives, and use it only for evaluating the proposed relationship.

04 EXCLUSIONS AND TERM

These obligations do not apply to information already known, independently developed, or lawfully available to the public. The confidentiality period will be agreed by the parties.

05 ACKNOWLEDGEMENT

The parties acknowledge the responsibilities described above by signing this agreement.
